

Conveniently book and notify absence 24/7 from your mobile

CHILDARENOW

With ChildcareNow you can:

Download

Download the ChildcareNow App for FREE and start using it straight away.

Book 24/7

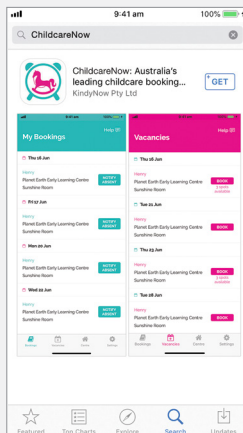

Make last minute bookings any time of the day, even when the centre is closed.

Notify Absence

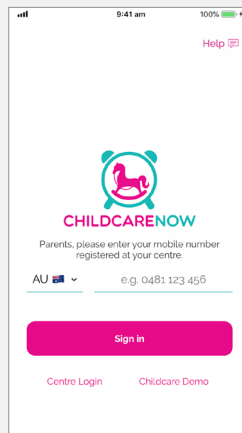

Notify of an absence to help your fellow families find last minute spots.

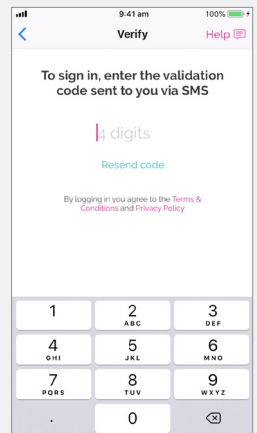

1. Download ChildcareNow from the App Store or Google Play Store

Download ChildcareNow onto your mobile from the **App Store** or **Google Play Store**.

Open ChildcareNow and enter your **mobile number**.

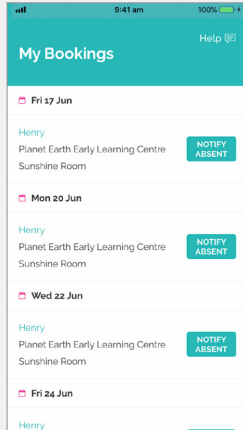

Then, enter the **verification code** sent to you via SMS.

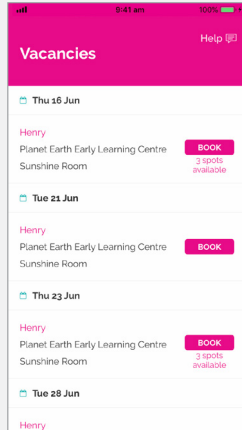

CLICK TO GET HELP

ChildcareNow is easy to use but if you need assistance, we're here to help! Just click Help  to chat to our Help team.

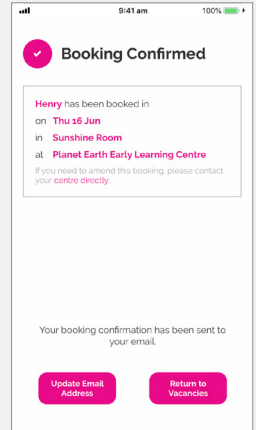

2. Review and make a new booking

Review your children's existing **Bookings**.

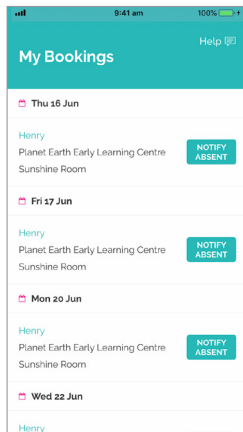

View all **available Vacancies** and then select the date you want to book.

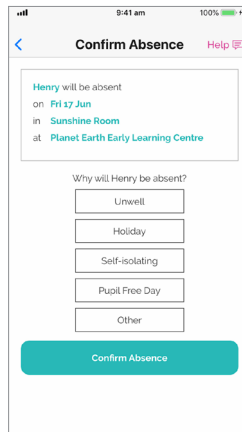

Once you've confirmed a booking, your centre will **automatically be informed**.

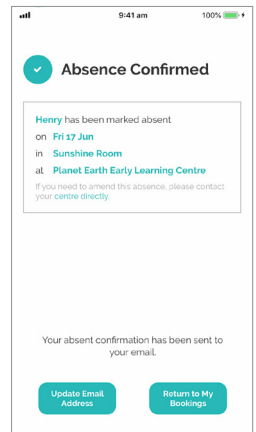

3. Notify of an absence

Review your Bookings and select the date you wish to **notify an absence**.

Confirm the absence.

Once you've confirmed your absence, your centre will **automatically be informed**.
